*WITHOUT OBSTETRICS AND GYNECOLOGY, PHYSIOTHERAPY, CAT AND MRI

** If the client wishes to make an appointment for an examination with a specific doctor, depending on his specialization and direction, there may be an additional charge for the examination outside your health package.

Depending on the services provided, the surcharges are within the following limits:

- during the initial examination - between BGN 15.00 and 32.00;
- in case of secondary examination - between BGN 6.00 and 15.00;
- in case of examination combined with ultrasound examination - between BGN 16.00 and 36.00;
- in case of examination by a habilitated person - BGN 48.00.
